Natural Resource Management Units Plan

LMD file number MSB# 004966

***The Matanuska-Susitna Borough, Community Development Department announces this opportunity for public review and comment on the Natural Resource Management Units Plan\*.***

The Matanuska-Susitna Borough (MSB) is providing this notice about release of the public review draft of the **Natural Resource Management Units Plan (NRMU)**. This asset management plan for the NRMU includes a summary and purpose of the plan, resource goals and guidelines for various resources including a chapter related to forest management and timber sales for all borough land within the NRMU, and management plans for the twenty-one NRMU's that total over 143,500 acres. A definitions/glossary, bibliography and informational literature, a summary of public participation and an appendices are also included.

*Public Review and Input* - Because of the size of this plan, the public review period will be 3 months long. The public review period will end on March 15, 2010. Copies of the plan are available at ALL borough libraries. A copy of the plan has also been sent to the Chase, Lazy Mountain, Point MacKenzie, Sutton, Talkeetna, Trapper Creek, and Susitna Community councils and to the Willow Area Community Organization.

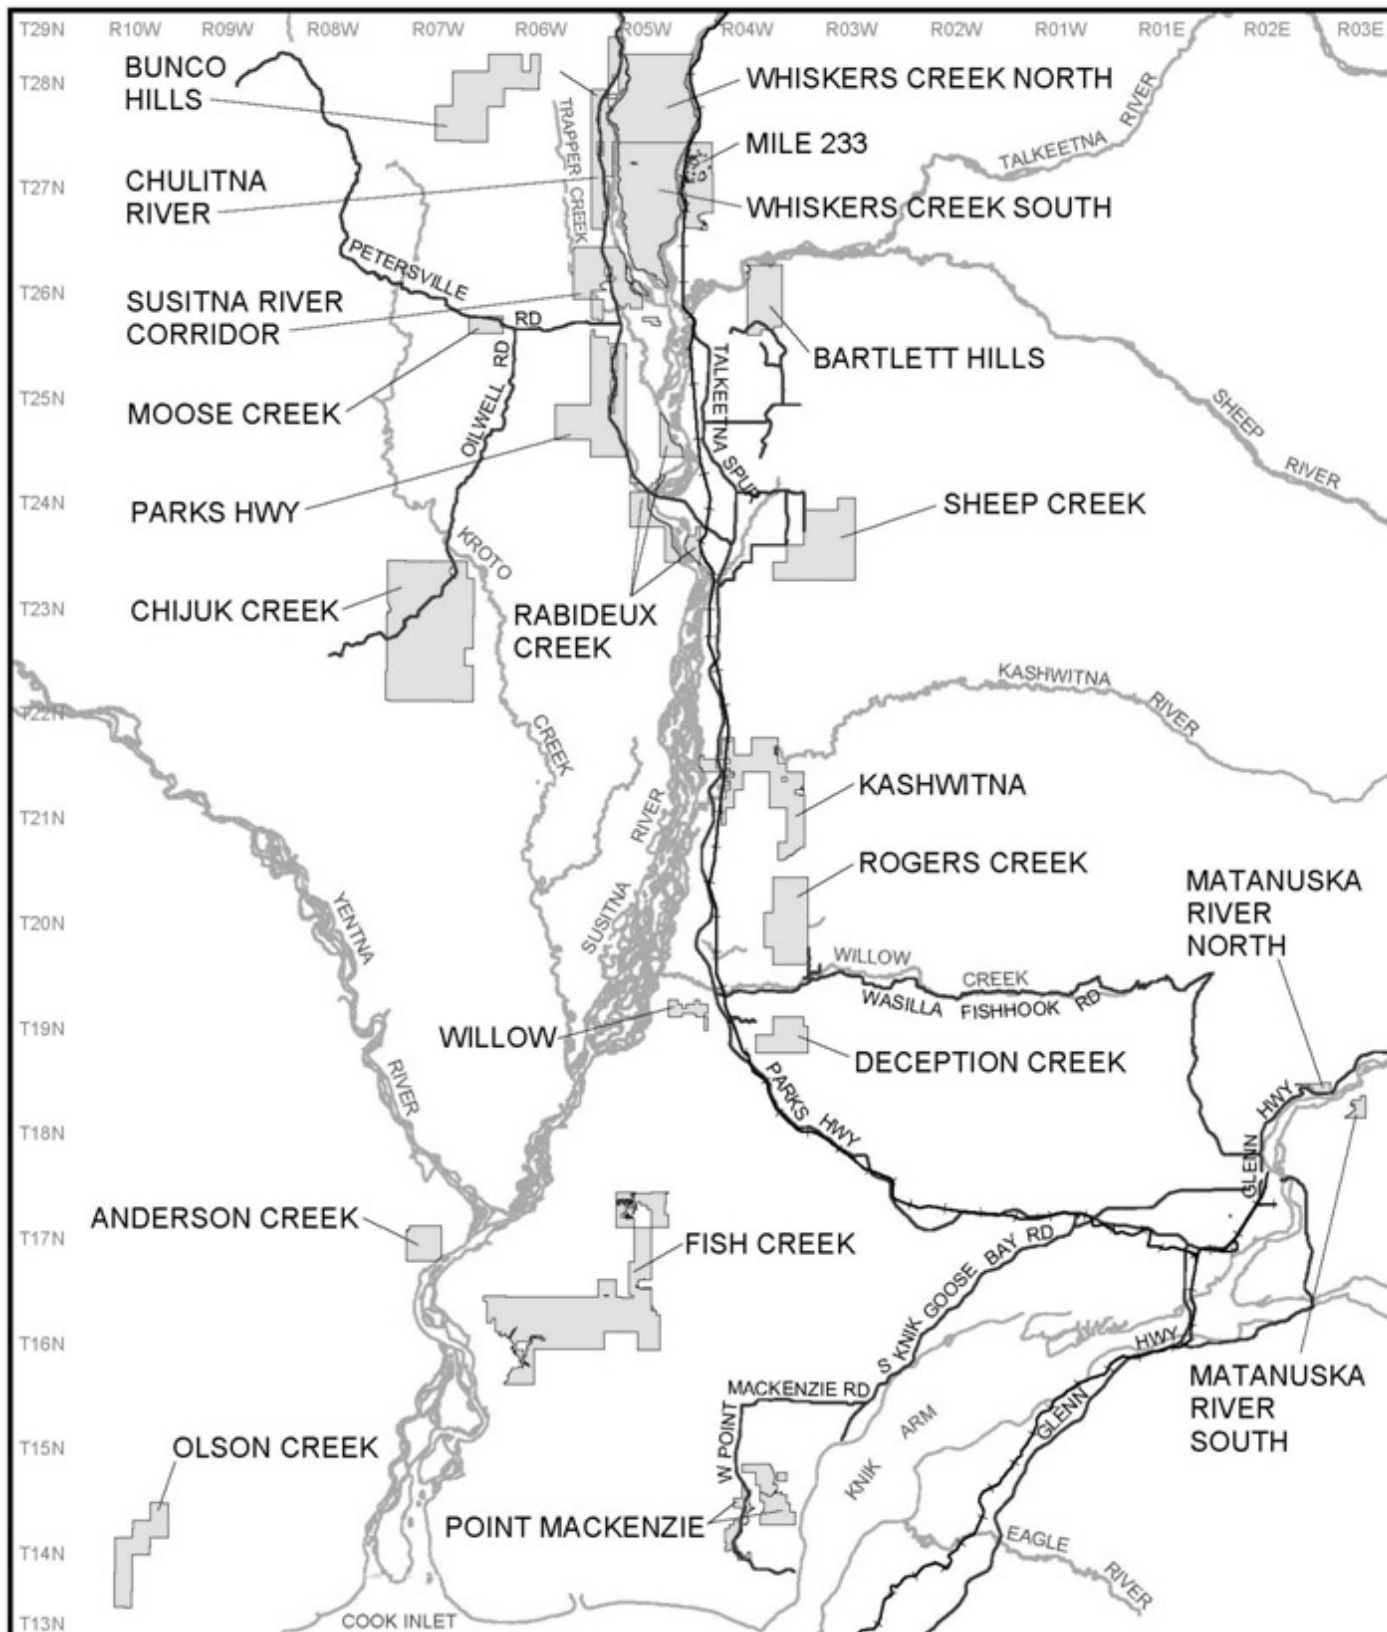

The plan is also available on the borough's web site at: [ww1.matsugov.us/communitydevelopment/](http://ww1.matsugov.us/communitydevelopment/) click on Land Management then Asset Management Plans in the left navigation menu then click on the link Natural Resource Management Units Plan.

Three public open house/meetings will be held the last week of February from 5:30 PM to 8:30 PM in ***Wasilla Tuesday February 23rd, in Talkeetna Wednesday February 24th and in Willow Thursday February 25<sup>th</sup> (revised)***. Meeting facilities (locations) will be noticed at a later date in the newspaper, libraries, through community councils and on the MSB web page.

The final plan is expected to be presented to the Assembly and Planning Commission for their consideration in May 2010.
